Feast of Caring

Tuesday, October 7, 2025

6:00-8:00PM

Lee Lockwood Library
Howard Ballroom

The Feast of Caring has been a pinnacle event for Caritas for decades. The event was created to mimic a soup kitchen, allowing attendees to break bread with community members and recognize the mission behind the work of Caritas.

Now, the Feast of Caring has developed into an incredible evening including a soup and dessert cook-off featuring local restaurants and caterers, games, a silent auction, and more. In years past we've welcomed 400+ guests to have a night of fun while supporting the incredible mission of Caritas.

This year will be no different.

You and your business are invited to be part of an amazing event with a deep history. Your sponsorship will help Caritas reach our community's most vulnerable and support our Community Neighbors as they move ***beyond hunger to hope.***

About Caritas

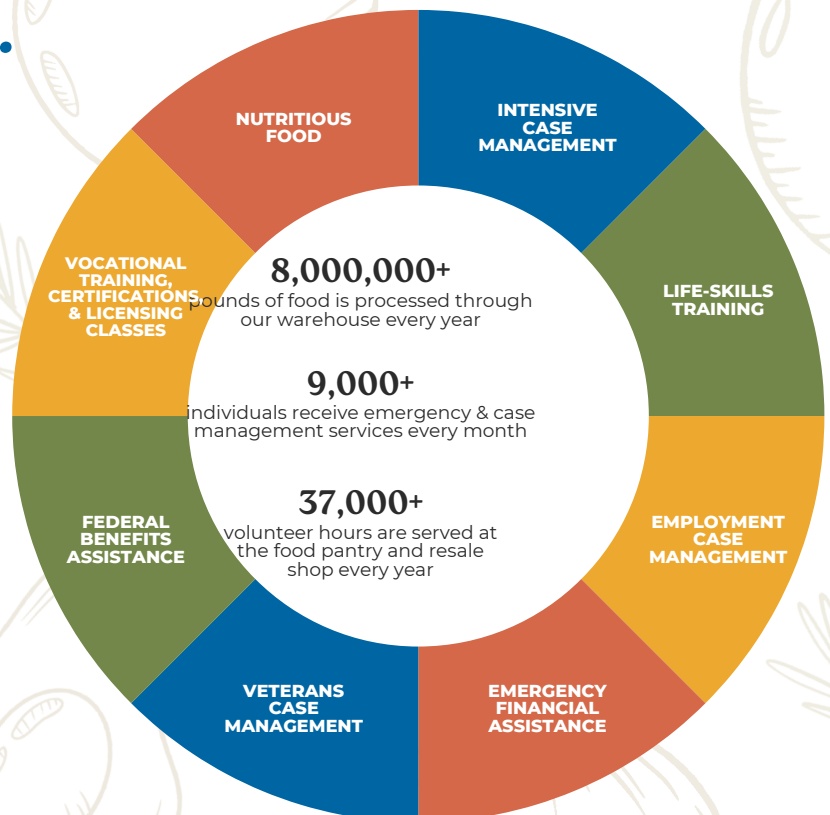

Caritas of Waco has been serving the Waco-McLennan County area since 1967. For over 55 years, Caritas has been dedicated to addressing the issue of food insecurity. We operate first and foremost as a food pantry, providing Community Neighbors in need with healthy, nutritious food to supplement their pantries and other basic necessities such as clothing, shoes, and hygiene products.

Over these past five decades of service, Caritas has expanded operations to include programs that support Community Neighbors to take the next step towards long-term stability.

It takes more than food to fight hunger.

Food insecurity affects people from all walks of life. Working families, retired seniors on fixed incomes, the chronically ill, and those with disabilities all turn to Caritas for support.

One thing they have in common: they are all our community neighbors.
