

Back to School Essentials Drive

Our Back-to-School Essentials Drive serves students across a wide range of ages, from Pre-K through 12th grade. Because of this, we're collecting a variety of items that meet the unique needs of young children, elementary students, middle schoolers, and teens.

Whether it's a lunch box for a first grader, a reusable water bottle for a middle school student, or healthy snacks for a busy high schooler, every donation helps a local student succeed.

Daily Essentials:

- Reusable water bottles
- Lunch boxes / insulated bags
- Reusable food containers
- Ziploc bags
- Ice packs
